**“Your U/C Buy-Walk should be a controlled
Training issue... before it's a real life issue!**

FIVE-DAY training course will provide the tools necessary for conducting safe and successful undercover operations. This course will provide the confidence and understanding needed to work as an undercover field operative, manage an undercover operation, AND... will provide an understanding on the use and monitoring of electronic wire devices, and GPS tracking devices. Each attendee will create a personal U/C profile, and participate in several undercover Buy/Walk field exercises... as a team!
